Participants are not only facing this challenge for themselves but also for Amref Flying Doctors. In the months before this ambitious event they raise money to support Amref's projects.

### Amref Flying Doctors

The funds raised by Africa Classic benefit Amref Flying Doctors. Amref is bringing good quality and affordable health care to those who need it most - improving access to health treatment and preventing poor health through community education. Working closely with African communities and governments, Amref ensures that it's health projects are relevant and sustainable.

By sponsoring participants of Africa Classic, you are bringing them a step closer to qualifying for Africa Classic. And with that you are supporting the projects of Amref Flying Doctors.
